

ABHISHEK KUMBHAT

CEO of SapidBlue Technologies

Dr. Abhishek Kumbhat (Founder & CEO of SapidBlue Technologies)

A technology enthusiast, researcher and entrepreneur, Abhishek has been instrumental in Product Innovation and Technology solutions with New Age Technologies for over 18 years.

His passion for building Technology Products with AI & Blockchain First Approach has brought path-breaking innovative solutions. Solutions designed by him have seen grounds in Retail / eCommerce, Financial Services and Gaming industries across 34+ countries. With an entrepreneurial spirit, Dr. Kumbhat has built multiple ventures from scratch both as independent startups and as strategic business units of large conglomerates.

Having diversified academics, he is a doctorate from IIT Delhi. In addition, he holds a Bachelors & Masters in Engineering along with Law and Management Graduation from Top Institutes. Several research papers and patents are accredited to his name. He is also a Mentor and Investor to many early-stage tech startups.
